**A**t Wen-Parker Logistics, our customers are at the core of everything we do. We pride ourselves on being a solutions-driven organization that responds quickly to the ever-changing and increasingly-sophisticated needs of global clients both big and small.

Wen-Parker Logistics' (WPL) new global headquarters is located in Elmont, New York. WPL operates a total of 26 offices worldwide, supplemented by a robust global network of agent partners in close to 100 key sourcing and consumer markets around the globe. The relocation to Elmont was one of four key strategic developments for WPL in 2017. As the brand grew, we opened our 26th office in Hanoi, Vietnam, expanded our London office after only a year at its previous location and opened our new Indian headquarters in Gurgaon.

We strive to operate as a true business partner with each of our clients. Our objective is to maximize the individual performance and efficiency of our clients' global supply chains. We work to help them achieve superior financial results, utilizing a well-managed supply chain model to their competitive advantage for business and revenue growth.

Equipped with extensive industry experience and

supported by leading-edge information technology and business tools, WPL provides a customer experience unlike any other within the transportation and logistics industry.

Our global supply chain services include Air & Ocean Freight Forwarding & Consolidation, Customs Brokerage, eBusiness, Trucking & Container Drayage, Warehousing & Distribution, Purchase Order Management, and a comprehensive menu of value-added supply chain services and technology solutions.
