

CONGRATULATIONS... Wen-Parker Logistics has been named a *Great Supply Chain Partner!*

SupplyChainBrain has maintained a tradition of celebrating **100 Great Supply Chain Partners** for 18 consecutive years. 2020 once again brought a very competitive field of nominations. We've been inspired to hear from companies who are so deeply appreciative of their suppliers' services and solutions.

Wen-Parker Logistics is one that emerged as one of those highly valued suppliers, and we're excited to help you promote your well-deserved accolades!

"For 18 years running, **SupplyChainBrain** has published our much-anticipated list of **100 Great Supply Chain Partners** — a select group of companies whose customers recognize them for providing outstanding solutions and services.

Our six-month online poll of supply chain professionals requires specific criteria to nominate vendors and service providers whose solutions have made a significant impact on their company's efficiency, customer service and overall supply chain performance.

This year's field of nominees was competitive and inspiring – coming from all sectors of supply chain management. Your company should be proud to be named amongst the 100 Great!
