

Job description

Location	Haltom City, TX
Job Title	: Maintenance Leader
Department	: Distribution Logistics

Position Description

Wen-Parker is a global freight forwarder and supply chain provider established in 1997. We are currently seeking a highly motivated and focused Maintenance Leader for our new Haltom City, TX distribution facility. The ideal candidate will be responsible for overseeing all maintenance functions of a 426,000 SQ FT air-conditioned facility, which includes all material handling, HVAC, electrical, mechanical systems and other applicable DC equipment. Works with facility director and operations team to develop strategies for maximizing productivity.

Qualifications & Experience:

1. Requires a minimum of 10 years directly related and progressive experience in a distribution environment or related operation.
2. Preventive maintenance programs, knowledge of powered conveyors, pick to light, electrical, HVAC, PLC's, and pneumatics.
3. Technical and operational knowledge of RF equipment, printers, and other IT related equipment
4. Proactive problem-solving skills with ability to recommend and implement solutions

Duties and Responsibilities (including but not limited to the following):

1. Maintaining all conveyor, electrical, PLC, photo eyes, dock equipment, pallet racking, HVAC and building maintenance.
2. Develop and supervise preventative maintenance programs for all building equipment to ensure safe operations and minimum downtime.
3. Monitor site expenses and maintenance budget. Provide feedback for budget planning and preparation for expenses and capital projects.
5. Support all distribution and fulfillment operations from a maintenance standpoint. Maintain all equipment and facilities.
6. Support compliance with all appropriate policies, procedures, safety rules and OSHA guidelines.
7. Creates and manages a spare parts inventory for all critical equipment.

RELATED TASKS:

- Responsible for associate relations functions, including directing, supervising, developing, and evaluating maintenance staff
- Knowledge of OSHA guidelines
- Effective written communications, presentation, and organizational skills
- Computer software experience including MS Office, WCS (warehouse control software) and WMS (warehouse management systems)

Compensation:

Wen-Parker Logistics offers a competitive salary with a full benefits package, including medical, dental, vision, short-term disability, and life insurance, as well as a 401K plan with a generous company match, paid time off and participation in an annual bonus plan.
