

"Each year, our list of 100 Great Supply Chain Partners features a select group of companies whose customers recognize them for providing outstanding solutions and services.

Over the course of our six-month online poll, we ask supply chain professionals to nominate vendors and service providers whose solutions have made a significant impact on their company's efficiency, customer service and overall supply chain performance.

This year we received literally *hundreds* of nominations for solutions providers in every aspect of supply chain management. Your company should be proud to be amongst the 100 Great!

**Wen-Parker Logistics** will appear in the 2017 July/August issue of SupplyChainBrain magazine as a celebrated member of this year's 100 Great Supply Chain Partners."
