

Shana Riggs Joins Wen Parker Logistics As New Vice-President of Operations

Wen-Parker Logistics (WPL), a global freight forwarder and supply chain solutions leader, is very excited to announce that Shana Riggs will be joining our growing team of logistics professionals as our new Vice-President of Operations.

“Shana is a well-respected logistics professional who brings years of customer-centric experience and a very diverse operational background to Wen-Parker. Her perspective from customer and service provider sides gives WPL a distinct advantage,” states Chairman and CEO John Singleton.

Prior to joining Wen-Parker Logistics, Ms. Riggs held key operational roles with BAX Global (DB Schenker), ANN Inc. and was the VP of Operations at Chico’s FAS.

“I look forward to leading this great team of operations professionals and providing our business partners with the superb service Wen-Parker Logistics is known for,” states Riggs.

Ms. Riggs recently owned her own consulting firm and has worked with some of the biggest up-and-coming companies in the global retail and marketplace spaces. She is also a frequent industry panelist and contributor to logistics related news articles.
